

Candidate Details

Ballot paper name	SIMS, Guy
Candidate name	Guy Charles SIMS
District	Shire of Coorow
Nominating for	Councillor for Shire of Coorow
Election type	Ordinary
Enrolment status	SIMS, Guy is eligible to stand for election as a resident of the Shire of Coorow.

I previously served as a councillor of the Shire of Coorow for six years between 2013 and 2019. During those years I demonstrated that I will put in the effort to represent all residents of the shire.

I am conscious of the competing needs for shire funds. Well maintained roads, especially when unsealed, are essential for our farming enterprises and road safety. Our coastal and inland towns have differing needs to keep them liveable and inviting, with the environment protected.

I strongly believe that ratepayers' money must be properly spent with clear social benefit. I think sometimes consideration could be given to delaying capital projects (not roads) in an inflated market. I don't support rate rises above inflation.

In my volunteer role helping to project manage the Koobabbie Precinct, I proved that I can work hard with a team to get things done to high standards.

I will advocate for meaningful consultation across the community on major issues and value hearing different points of view.
