Enrolment status	VAN DEN HEEVER, Luhan is eligible to stand for election as a resident of the Shire of Coorow.

My Name is Luhan van den Heever, I have been living and working in Coorow for the past 6 years. I have been the school board chair at Coorow Primary School for the last 3 years; I have also filled the role of President of the Coorow Golf Club for the last two years.

I am married and have two daughters that attend Coorow Primary

school, they also love to visit Green Head and Leeman beaches for a bit of fishing. I have always had an interest in local government. I feel that I can be a great asset to the local council and be a voice for the ratepayers in our whole shire.

I feel our Shire is unique in the way of having two coastal towns and an inland town in the same shire, I feel it is therefore very important to keep a well-balanced approach to maintenance and development between the three towns. I would highly value your support and do everything in my ability to be a sensible and objective representative of the rate payer and be a voice for their concerns regarding any local matters.
