

## Shire of Coorow Vacancy

### Plant Operator - Coorow

Applications are invited for the position of Plant Operator with the Shire of Coorow. The position is based in Coorow where staff work a nine-day, 90-hour fortnight (including 14 hours overtime). Additional seasonal overtime is also available.

The successful applicant's wage level will depend on experience. In addition, the Shire offers generous Superannuation benefits and a Housing Allowance for employees who provide their own accommodation. Alternatively, there may be accommodation available to rent from the Shire at a subsidised rent should housing be required.

The successful applicant will be required to undertake a wide range of duties including tip maintenance, culvert repairs & road maintenance and have a capable knowledge of all plant and equipment operation and maintenance. Applicants with previous grader experience will be highly regarded.

It is essential that applicants have a current WA driver's license with a MR or preferably HR class.

A pre-placement medical and police clearance will be required by the successful applicant and a three-month probationary period will apply.

A Position Description is available from the Coorow Administration Centre on 9952 0100 or via email [admin@coorow.wa.gov.au](mailto:admin@coorow.wa.gov.au) and further information is available from Kelvin Bean, Manager of Works and Services on 0428 521 103.

Applications detailing previous experience, qualifications and recent referees should be forwarded to:
