Dear Community Organisations and Sporting Groups,

Over the last three weeks Community Organisations and Sporting Groups have been busy putting together Expressions of Interest for the Drought Communities Program- Extension 2020.

We have had many requests for extended closing times as clubs are struggling to receive quotes by the closing date. We too understand how difficult it can be to meet deadlines when waiting on third parties. It is for this reason we have extended the closing date to 9th April 2020 at 4pm.

We also highly recommend a club representative to contact Ella Budrikis at the Shire to ensure all information is included through this process. Any incomplete applications, applications not submitted via the Shire EOI form will not be included in the weighting process.

For those Community Organisations and Sporting Groups who have already submitted their applications and wish to revise and resubmit your application please contact Ella Budrikis to do so.

Expression of interest forms, guidelines and FAQ's can be downloaded of the Shire website or alternately be collected from either the Leeman or Coorow offices.

Kind Regards

John Merrick JP
Acting Chief Executive Officer
Shire of Coorow
