## Comley, Jake

I have been living in Coorow for over 10 years and in my time here I have been involved in many community groups, I have coached the Coorow-Latham Football club for 4 years whilst also taking on the role as secretary this year, I was President of the Coorow Cricket Club for 5 years and have also been on the Coorow Bowling Club committee. I would like the chance to represent all electors and believe I can have a positive impact on local decisions, communicate local views and give something back to the community. I have plenty of local knowledge and believe I have the necessary level of community engagement needed to help push for positive outcomes in our local area. If elected, I will represent all electors with integrity, honesty and respectful debate. Thankyou for your consideration.
